Dear Wayne,

Well, we have come to the two year anniversary here at HEALTHSOUTH Rehabilitation Hospital of Tulsa of treating our patients with the MicroVas Vascular Treatment System. I am proud to tell you we have had over a 95% total positive outcome with MicroVas. We have had tremendous success in wound care and pain management treatments. In fact, there was an article in our own publication about the MicroVas Vascular Treatment System and our successes with Microvas.

Once again, thank you for sharing MicroVas with us here at HEALTHSOUTH.

Best Regards,

Robert E. Baker, CEO
